Disclaimers:

**This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee, or a portion of it, is included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)*

**You have the right to choose only the goods and services you desire. All items are itemized on the checkout page to clearly show what you are purchasing. Charges are only for those items you selected or those required by law. If any items are mandated by law, cemetery, or crematory requirements, we will explain the reasons in writing.*

**Additional charges may apply in unforeseen situations, including but not limited to:*

- Additional staff required due to the weight, position, or condition of the human remains (e.g., decomposition, additional transfers).*
- Removal of pacemakers or other medical devices for the safety of our equipment and staff.*
- Note: Pacemakers, metals, and other medical devices will not be returned to you after cremation.*

**Customers are entitled to a \$200 discount when arranging services through our online platform.*

**Payment is due in full prior to services being rendered. We accept American Express, Visa, Discover, and MasterCard through our secure payment processor, Stripe.*

**Embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.*

**Cremation Enterprises is focused on quality and dependable simple cremations services. With this goal in mind, we do not currently offer options for Caskets or Outer burial Containers, as they are not required in the cremation process.*
