#### **Disclaimers:**

\*This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee, or a portion of it, is included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.)

\*The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

\*Additional charges may apply in unforeseen situations, including but not limited to:

- Additional staff required due to the weight, position, or condition of the human remains (e.g., decomposition, additional transfers).
- Removal of pacemakers or other medical devices for the safety of our equipment and staff.
- Note: Pacemakers, metals, and other medical devices will not be returned to you after cremation.

\*Customers are entitled to a \$200-\$400 discount when arranging services through our online platform.

\*Payment is due in full prior to services being rendered. We accept American Express, Visa, Discover, and MasterCard through our secure payment processor, Stripe.

\*Embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

\*Cremation Enterprises is focused on quality and dependable simple cremations services. With this goal in mind, we do not currently offer options for Caskets or Outer burial Containers, as they are not required in the cremation process.
